THE BEAR'S TALE OF 1955

GIBSONBURG EX. VILLAGE SCHOOLS
Gibsonburg, Ohio

DEDICATION

In 1876 the first permanent school building was erected in Gibsonburg with an enrollment of 150 pupils under three teachers. At that time T. D. Stevenson, then principal and leader in Gibsonburg education, arranged a regular course of study.

In the early 1890's a new building with more adequate facilities was needed. In 1894 it was erected. The architect was W. Lewis Kramer; the contractor, P. P. Woolcott; the superintendent, Frank McGill. The Board of Education included N. B. Peter Bowser, A. P. Johnson, Jacob Beard, P. H. Zorn, and Charles Sander.

This building is now the present grade school. Its rooms no longer roomy and half-filled but crowded with many eager Gibsonburg children. No longer up-to-date, it has been torn by fire, its grounds have been trampled by thousands of feet, its floors are worn and pitted, its desks are carved and scratched, and its exterior is sooty and weather-beaten. It is no longer the proud building of 1894. It is a beaten warrior of many storms.

It is to this building, soon to be replaced by a shining new, one that we, the annual staff of 1954, dedicate our yearbook in remembrance of our grade school years.

"THE KEY TO EDUCATION IS THE PASSWORD FOR SUCCESS"

Not knowing what's before us,
Not knowing our own life,
Never grumbling, never fumbling,
Meeting every strife,

We must do our duty
To ourselves, our folks and God,
Never trampling this good land.
On success our feet do trod.

CLASS COLORS:
Green and White

Will we make a head line?
Will we do some good?
Will we become good citizens
For our following brotherhood?

CLASS FLOWER:
White Carnation

All the falters that we make,
Temptations we must pass,
We look to God in prayer
To fulfill our one great task.

We will accept our duties,
Our responsibilities, nothing less.
THE KEY TO EDUCATION IS THE
PASSWORD FOR SUCCESS.

CLASS WILL

I, BILLIE BAKER do hereby will and bequeath my love for horses to Mel Rose who seems to be more interested in females that wear saddles than in females that wear skirts.

I, PAUL HAMMER do hereby will and bequeath my motor scooter to Christy Holland. I would just love to see him scoot around.

I, WAYNE LONGANBACH do hereby will and bequeath my name of "Beefy" to Mr. Sting.

I, BARBARA MARKEL do hereby will and bequeath my job as school librarian to Linda Long, hoping she can keep the kids quiet. It seems I just didn't have the right influence over them.

I, PHILIP MATHNA do hereby will and bequeath my saxophone to Dick Kimmet. May he learn how to play it.

I, BETTY MILLER do hereby will and bequeath my long walks to school to Kathryn Bork. Try to be there on time, Kate.

I, JACK MINICH do hereby will and bequeath my "41" to anyone who can keep it on all four wheels.

I, JIM TILLOTSON do hereby will and bequeath my 1941 Buick to Dave Zeller. Fasten the saddle on tight Dave; it bucks.

I, CARL UNGER do hereby will and bequeath my 35 Ford, "Matilda" to anyone who can keep it running. She is guaranteed to stop every ten miles or your money back.

I, PAT VALLANCE do hereby will and bequeath my carbon paper for Senior Health class to any Junior girl who has the motto; "Help Others."

I, SALLY VICKERY do hereby will and bequeath my piccolo to Jim Burkett, knowing it would make a better sounding horn for his hot-rod.

I, RONALD WEIGMAN do hereby will and bequeath my ability to get a big bang out of Chemistry on Open House night, to anyone who doesn't know what will happen when H and O are mixed and set aflame.

I, BETTY ZIMMERMAN do hereby will and bequeath my interest for a certain guy who drives a baby blue Pontiac convertible to myself because I don't want anyone else to be interested in him.

CLASS PROPHECY

JIM AGNEW is now sole owner of a beautiful horse ranch in the Blue Grass state of Kentucky. He owns everything from Shetland ponies for the kids, to St. Joe "The Streak," who won the Kentucky Derby.

JOYCE ARNOLD is now part owner of Meadowbrook Park. I hear she let's all of her friends in at half price. How about that?

ALLEN ALLISON is still working his way through college. He started in "55". Professor Christy Holland sure has a tough Chemistry class.

BILLIE BAKER is now Billie Zimmerman and she is raising more than horses on that Western ranch of hers.

CURTIS BOWSER is now coaching the football team of S. M. U.

ANN CALLIHAN and NANCY DAVIS are co-owners of the Gibsonburg Rest Home. This home is restricted only to girls who attend slumber parties.

FRANCIS DIABER is now a very dignified business woman who owns her own beauty shop. She specializes in Toni and Bobbi home permanents.

LOUISE DOLWECK has changed her name to Filiater and is residing in their spacious ranch house just outside of Helena.

It seems PHYLLIS DOLWECK has started a school for "Tall People." The sign reads "Tall People, Four Feet Eleven Inches and Under."

It seems JO ELLIS hasn't changed a bit, that is with the exception of her last name. She is now living in Colorado on a dude ranch, taking care of her little dudes.

RICHARD GOETZ is the owner of a big dairy farm on the south side of Gibsonburg.

ROBERT GOETZ is owner of a new Cadillac. It seems his Ford troubles have vanished since he has purchased this Cadillac. He is still undecided as to which is the most expensive.

PAUL HAMMER is the new barber in Gibsonburg. He sure gives the guys a close shave.

ROBERT HAMMER is busy raising horses, plus learning how to ride.

NORETA KEESECKER has finally settled down in a cute little bungalow in the Sunset addition. It seems Herb and the twins keep her pretty busy.

LARRY KARR is now a great orchestra leader. The name of his orchestra is, "Swing and Sway with Larry K."

SHIRLEY KELLOGG is at the present time, experimenting with a new perfume in her lab. When the experiment is completed a free sample will be given to all who visit her laboratory.

DALE KEPPLER is now owner of a 200 acre dairy farm, the most modern in Sandusky County.

DONNA KIRSCH is teaching nurse's training in Michigan. I understand her nursing ability was attained from her Sr. Health class in which she seemed to take a great interest during her last year at G. H. S.

RICHARD KIRSCH is still living on a farm. His pursuits are the same--no one knows what!

SANDRA KROTZER is still attending Ohio State. From what we hear, it isn't her grades that are keeping her there.

It seems ROBERT KIRSCH never did find the right girl so he took up the vocation of priesthood. The Reverend Father Kirsch is now pastor of St. Michiels Church and is next in line to become Bishop of the Toledo Diocese.

TONY LA SALVIA is playing baseball for the Cleveland Indians.

JIM LONG and JACK MINICK are co-owners of the Jim and

Jack Speedway at Hessville, Ohio.

WAYNE LONGANBACH is mayor and "Justice of the Peaceful and Unpeaceful" of Hessville, Ohio.

BARBARA MARKEL finds her job as Rollersville Librarian very interesting. She refers the book "Heartbreaker" to all the boys who come in.

PHILIP MATHNA is the owner of the Toppit Restaurant in Fremont, 322 East State Street, Phone Federal 2-0293. Good plug huh?

BETTY MILLER is the secretary at G. H. S. I guess she likes school so well she just couldn't bear to leave it.

ROSALIE MURRAY is now Superintendent of Nurses School at Columbus. The reason she is so far from home is that when her patients discovered she was head nurse at Memorial Hospital they decided to go to Community Hospital. I guess they just didn't have much faith in Rosalie's nursing ability.

MEL MOORE now owns a John Deere experimenting farm.

CAROLYN and Rich seem quite contented after settling in Helena. And the pigeons? Why they're doing fine.

LOIS RICHTER is a private secretary in Toledo, I understand that in her spare time she is a seamstress for Tiedtkes' Department Store.

JIM SPITNALE is driving a Cadillac-and to think it all started with a big-little Crosley.

SANDRA SEBRING is now married and living in Woodville. Jiggs and the kids keep her pretty busy.

NORMA SHAMMO is a telephone operator. And guess where! Why in Pemberfille of course.

It seems as though JANET SHREFFLER'S position on the Lime Lite Staff finally paid off. She is now Sports Editor of the Fremont News Messenger. And for some strange reason the Bears instead of the Streaks are getting the write-ups.

RITA SNEIDER is Supervisor of Girls State. It seems that little trip she made there as a Junior really paid off. The only trouble is, all we can find at Girls State are boys! No wonder Rita likes her job.

JIM TILLOTSON is now a Captain in the U. S. Air Force and he flies his own private Jet.

CARL UNGER and JIM SPITNALE, better known as Kirwens' Boys in school are now in a business for themselves. Unger and Spitnale's A & P will run Kirwens Red & White out of business any day now.

PAT VALLANCE is running a night school, teaching modeling, while Bill sits home and reads bed-time stories to the little Millers.

SALLY VICKERY is following in her mother's footsteps and is now teaching mathematics to all the boys in G. H. S. Some of these boys happen to be the children of some of our 1955 Grads. My, but Sally's hair just isn't blond anymore.

RONALD WEIGMAN is living on his Hollywood estate where he is directing a new picture called "How The Bears Became S. B. C. Champs."

LORENE WIDMER just helped perform another operation which was a success and when she was receiving congratulations, what do you think she was called but "Queenie."

PHILOMENO ZAPPI is now a private secretary, not to mention one of the highest paid in the business.

BETTY ZIMMERMAN is married and living on an estate consisting of a four acre lawn. She does the mowing by herself. It seems she got her experience from mowing cemeteries.
